FIRST ORDER OF BUSINESS **Roll Call**

Mr. Flint called the meeting to order and called the roll.

SECOND ORDER OF BUSNESS **Public Comment Period**

Mr. Flint: There are no members of the public present, so we will move on to the next item.

THIRD ORDER OF BUSINESS **Business Administration**

A. Approval of Minutes of the April 1, 2019 Meeting

Mr. Flint: Are there any additions, corrections or deletions?

> On MOTION by Mr. Wilson seconded by Ms. Newberry with all in favor the minutes of the April 1, 2019 meeting were approved.

On MOTION by Ms. Newberry seconded by Mr. Wilson with all in favor the Check Register was approved.

C. Balance Sheet and Income Statement

Mr. Flint: A copy of the balance sheet and income statement are included for your review.

FOURTH ORDER OF BUSINESS Business Items

A. Consideration of Proposals for Entrance Wall Repairs

Mr. Scheerer: At the last meeting I received some photos of some damage that was created at the Bella Citta Entrance. As it was stated at the time, it was due to kids and the bus stop being there. I contacted three different companies. One company didn't bid. Another company backed out due to some personal family issues. Included in your agenda package today for your consideration is a proposal from Aaron's Service Solutions. They will fix all of the holes and cracks and make all of the repairs to the mortar and stucco to match the current texture for $1,145 and then paint the entire entrance for $6,598.54. I think the concept was if we make all of these repairs and patch everything then it wouldn't match anything that is currently there.

Mr. Manjourides: The areas on the bottom that were damaged was actually not stucco. It is foam stuff. If they just put it back, then someone is going to kick it again. I think we should get a proposal for putting cement there.

Mr. Scheerer: I will come back to the next meeting with some kind of reinforcement mechanism.

Mr. Manjourides: Maybe the construction company can come up with something for it.

Mr. Scheerer: Yes. I am sure they will be able to come up with something.

Mr. Flint: We will get an alternative proposal.

B. Ratification of Interim Engineering Agreement with Hamilton Engineering, Inc.

Mr. Flint: At the last meeting you had made a decision to terminate the prior Engineer and engage Hamilton Engineering, Inc. as the Interim Engineer. This agreement just follows that action. The copy in your agenda package hasn't been signed yet but it is in effect.

On MOTION by Ms. Newberry seconded by Mr. Manjourides with all in favor the Interim Engineering Agreement with Hamilton Engineering, Inc. was ratified.

C. Review of Proposals and Selection of a District Engineer

Mr. Flint: You directed staff to advertise a Request for Qualifications for Engineering Services. In Florida, there is a Consultant's Competitive Negotiation Act and anything over $30,000 on an annual basis is required to be bid through an RFQ process. We don't know if it is going to be over $30,000 but you typically select your District Engineer through that process. We advertised in the Orlando Sentinel for the services and as a result, we received two responses; one is from Hamilton Engineering, Inc. and one from Johnson, Mirmiran & Thompson. You have the ranking criteria that is part of the RFQ process. The ranking criteria includes the ability and adequacy of personnel, the consultants past performance, their geographic location, willingness to meet time and budget requirements, certified minority business enterprise, recent and current projected workload and volume of work previously awarded. The criteria add up to 100 points. We will want the Board to develop a consensus ranking. Neither company is a minority business enterprise, so you can check that off the list. In regard to the volume of work previously awarded, I don't believe that JMT has done previous work for the District, so I think you would award them zero on that. The principal with Hamilton is Dave Reid and he is here. He has been the District Engineer with another firm for many years. I think there is a difference there in ranking too. JMT is located in Tampa and Hamilton is in Orlando. I think Hamilton is closer from a geographic standpoint, so there would be a differential there. The ranking sheet is under the first tab. Hamilton is also your current Interim Engineer.

Mr. Nembirkow: For ability and adequacy of personnel I would give Hamilton a 25.

Ms. Newberry: I would give JMT a 25 too because it is a huge organization.

Mr. Nembirkow: But we don't know their ability because we have never used them before.

Mr. Flint: You can only base it on what they are providing you. What about consultants past performance?

Ms. Newberry: The problem with past performance is not having past testimonies from previous clients. They can list a lot of projects, but you don't know how well they have performed on it.

Mr. Flint: You could consider it a wash and score everyone equally on that, as well. So, do you just want to score each one 25?

Ms. Newberry: I have no problem with that.

Mr. Flint: Then for geographic location, you have Tampa versus Orlando.

Ms. Newberry: 20 for Hamilton and 10 for JMT.

Mr. Flint: Next is willingness to meet time and budget requirements. Again, I think that is probably one where you give both the same.

Ms. Newberry: Yes, so both of them get 15.

Mr. Flint: They both get zero for minority business. The next criteria are recent/current and projected workload.

Mr. Nembirkow: Based on the information we have they should both have 5s.

Mr. Flint: Then you have volume of work previously awarded.

Ms. Newberry: Five for Hamilton and zero for JMT.

Mr. Flint: So, 95 points go to Hamilton and 80 points go to JMT.

> On MOTION by Mr. DiCocco seconded by Ms. Newberry with all in favor to Rank Hamilton as the #1 Ranked Firm and JMT as the #2 Ranked Firm and Authorize Staff to Negotiate an Agreement, was approved.

D. Consideration of Agreement with Lake Doctors, Inc. to Provide Aquatic Management Services

Mr. Flint: This is an agreement with Lake Doctors, Inc. to provide aquatic management services. You have two agreements in your aquatic management line. One is actually maintenance of wetland areas and the other is for the pond. The pond work has historically been done by Lake Doctors, Inc. You have a proposal for $163 a month. It is budgeted for.

Mr. Scheerer: It is for the two ponds over here off of Westside Boulevard. I think the increase in the contract was $3.

> On MOTION by Mr. Nembirkow seconded by Mr. DiCocco with all in favor the Agreement with Lake Doctors, Inc. to Provide Aquatic Management Services was approved.

E. Consideration of Resolution 2019-02 Approving the Proposed Fiscal Year 2020 Budget and Setting a Public Hearing

Mr. Flint: Each year the Board is required to approve a proposed budget and set the date, place and time for the public hearing. The proposed budget must be approved by June 15th of each year. The public hearing has to be at least 60 days from the day you approve the proposed budget. We are suggesting August 5, 2019 at 10:00 a.m. at this location for the public hearing. The proposed budget is exhibit A to the resolution. The proposed budget is not binding. If you choose to make any changes you can do that now or even at the public hearing. The only issue would be if you wanted to increase the per unit assessment then that would require additional noticing, which would have to be determined earlier. The recommended budget does not contemplate any increases in the O&M assessments. It is increasing slightly. Most of those increases are mainly due to the age of the some of the infrastructure in the community. You will notice the entry wall maintenance is increasing slightly. Pressure washing and sidewalk repair and maintenance are increasing. We are using $68,730 of your fund balance to balance the budget. We used $23,000 coming into this year. You have significant reserves, so I would not suggest that you increase your assessments to balance that budget. I would recommend that you just use your fund balance because you have $1.9M in your operating account right now.

Mr. Manjourides: What is information technology?

Mr. Flint: That is your website.

Mr. Manjourides: Why did that increase so much?

Mr. Flint: We have a proposal in your agenda package, and we will get to that discussion. It deals with ADA requirements for websites. There have been a number of lawsuits in the last year dealing with ADA compliance of websites. It is not just government entities. Some private entities have been sued, as well. It really wasn't on anyone's radar and as a result of that, the insurer that we use, which also insures 300+ other Districts, was defending 18 CDDs that were sued as part of one action. The whole CDD industry has really been entrenched in this issue. Most of the other Districts that we manage have already done this within the last few months.

Mr. Manjourides: Is this cost going to stay every year?

Mr. Flint: Next year it is back down to $1,250. It may end up being higher because they are suggesting that we have ongoing audits done at least quarterly and there is going to be a cost of doing that. You have $10,000 in contingency. We will come back to the Board once we decide the best course of action and we may need to amend that line item.

Mr. Manjourides: Why did the mulch go up to $20,000?

Mr. Scheerer: It is going to be $15,000. In speaking with the accounting department, it was just mislabeled. The $5,000 should have went to Stoneybrook South at ChampionsGate. Down to Earth submitted it all on one invoice and we spoke to them and explained they are two different Districts, so we got that taken care of.

Mr. Flint: So, these actuals will need to be adjusted.

On MOTION by Mr. Wilson seconded by Ms. Newberry with all in favor Resolution 2019-02 Approving the Proposed Fiscal Year 2020 Budget and Setting a Public Hearing for August 5, 2019 at 10:00 a.m. at the Oasis Club at ChampionsGate, 1520 Oasis Club Blvd., ChampionsGate, FL 33896, was approved.

F. Presentation of Number of Registered Voters – 789

Mr. Flint: Each year, we are required to announce the number of registered voters within in the District as of April 15th and you can see there are 789.

G. Consideration of Proposal from VGlobalTech to Provide Website Compliance Services – Added

Mr. Flint: We have added this item. This is a proposal from VGlobalTech to take the Districts website and recreate it in a format that is ADA compliant. We are just asking you to approve the $2,775 one time fee. We met with four different companies that provide this type of service. We were able to negotiate a better pricing arrangement with VGlobalTech. We are using them on all of our other Districts, as well.

On MOTION by Mr. Nembirkow seconded by Ms. Newberry with all in favor the Proposal from VGlobalTech to Provide Website Compliance Services was approved.

H. Discussion of Bidding Landscape Maintenance Services – Added

Mr. Flint: Currently, we have an agreement with Down to Earth to provide landscape maintenance services. The HOA uses Down to Earth. Stoneybrook South at ChampionsGate uses Down to Earth. Lennar has come forward and recommended that we all bid out landscaping. Lennar has gone out and hired a landscape consultant, Mark Yahn, to prepare the scope of work, the cost sheets and the maps that would be used. It is probably not so much a service issue but making sure everyone is being honest with their pricing. The only way to really know about pricing is to have the market check it. We would like the Board to authorize us to work with the HOA and the other CDD, prepare an RFP and solicit proposals to be brought back to you at a future meeting. If there are any savings, then you would be able to reflect that in your budget.

> On MOTION by Mr. DiCocco seconded by Ms. Newberry with all in favor to Authorize Staff to Work with the HOA & Stoneybrook South at ChampionsGate CDD to Prepare an RFP for Landscape Services & Solicit Proposals was approved.

I. Appointment of Audit Committee and Chairman

Mr. Flint: The District is required to have an annual independent audit as a governmental entity. You typically bid out for audit services every three years. Historically, the Board has served as the Audit Committee. We do have an Audit Committee meeting advertised for immediately after this meeting.

> On MOTION by Ms. Newberry seconded by Mr. Wilson with all in favor the Entire Board to Serve as the Audit Committee & Ms. Newberry to Serve as the Chair of the Audit Committee was approved.

J. Selection of District Records Office within Osceola County

Mr. Flint: Previously, we had the District records at the Engineer's office, so because you terminated your prior Engineer, we need to adjust the local District records office to name this location.

> On MOTION by Mr. Nembirkow seconded by Ms. Newberry with all in favor the Oasis Club at ChampionsGate, 1520 Oasis Club Blvd., ChampionsGate, FL as the District Records Office, was approved.

FIFTH ORDER OF BUSINESS Staff Reports

A. District Counsel

Mr. Robin: I would like to provide the Board with a formal update with the legislative session that did conclude. We provided you guys with a few bills that we were monitoring previously. Only a few bills have passed that really impact CDDs. Unfortunately, the one we were really following that would save us money on legal advertising only passed in the House but not the Senate. We are hoping the bill will show up again. Obviously, the newspaper lobby is pretty strong, and it would take a lot of their business away. The one that really impacts residential Board Members is with respect to the Form 1 filing. Normally, you have to file the form every year with the Supervisor of Elections. What they passed this year is you can file your Form 1 documents online. This will take effect in 2022.

B. District Engineer

There being none, the next item followed.

C. District Manager

There being none, the next item followed.

D. Field Manager

Mr. Scheerer: A Field Manager's report was included in your agenda package. The fountain is working. The lights are working. It is extremely hot right now. We are battling some irrigation problems and some hotspots around the community. At the last meeting, the Board went ahead and approved the removal and reduction of the annuals, which has been completed. The Board also approved the repairs to the fountain on 27, which has been completed. The light inside the Nickelson Column was replaced with an LED light. We replaced the photocell, as well. The electrical wire was repaired in advance because it was a safety issue. We will bring back revised quotes with some reinforcement of that cap as opposed to using foam.

Mr. Manjourides: We had spoke at the last meeting about the easement on hole 18 and concreting it so the golfers could get down to the cart path. At the end of Dove Valley there is an easement there that everyone uses and it kills the grass.

Mr. Scheerer: I did not do that. I will take a look and get a bid on it. I will have all of the monument lights checked and we will repair any of them that are out.

Mr. Manjourides: The lights are out at the arch at Westside Boulevard.

Mr. Scheerer: We will take a look at it.

Mr. Manjourides: Even the shrub lights are out, so it must be a breaker. Do we own the shrubs that go along Westside Boulevard? There is a lot of trash and pipes.

Mr. Scheerer: Yes. I know Down to Earth was asked to go out there last week and take a look at that large retention pond that is back there. They are supposed to be doing a whole detail of the boulevard, so I'll get with Andrew after this.

Mr. Manjourides: Down at the end there is a house and they put some kind of patio back there and they threw four big trees there. Maybe we should talk to the homeowner about that. When the wall was cleaned part of the part came off of it. You can see the cement underneath. It is right where you tee off on the 13th hole.

Mr. Scheerer: I will check it out.

SIXTH ORDER OF BUSINESS **Supervisor's Requests and Audience Comments**

There being none, the next item followed.

SEVENTH ORDER OF BUSINESS **Adjournment**

On MOTION by Ms. Newberry seconded by Mr. Nembirkow with all in favor the meeting was adjourned at 10:59 a.m.

Thank you for choosing LLS Tax Solutions Inc. ("LLS Tax") to provide arbitrage services to Stoneybrook South Community Development District ("Client") for the following bond issues. This Engagement Letter describes the scope of the LLS Tax services, the respective responsibilities of LLS Tax and Client relating to this engagement and the fees LLS Tax expects to charge.

- $9,300,000 Stoneybrook South Community Development District (Osceola County, Florida) Special Assessment Refunding Bonds, Series 2013 (Assessment Area One Project)

SCOPE OF SERVICES

The procedures that we will perform are as follows:

- Assist in calculation of the bond yield, unless previously computed and provided to us.
- Assist in determination of the amount, if any, of required rebate to the federal government.
- Issuance of a report presenting the cumulative results since the issue date of the issue of bonds.
- Preparation of necessary reports and Internal Revenue Service ("IRS") forms to accompany any required payment to the federal government.

As a part of our engagement, we will read certain documents associated with each issue of bonds for which services are being rendered. We will determine gross proceeds of each issue of bonds based on the information provided in such bond documents. You will have sole responsibility for determining any other amounts not discussed in those documents that may constitute gross proceeds of each series of bonds for the purposes of the arbitrage requirements.

TAX POSITIONS AND REPORTABLE TRANSACTIONS

Because the tax law is not always clear, we will use our professional judgment in resolving questions affecting the arbitrage calculations. Unless you instruct us otherwise, we will take the reporting position most favorable to you whenever reasonable. Any of your bond issues may be selected for review by the IRS, which may not agree with our positions. Any proposed adjustments are subject to certain rights of appeal. Because of the lack of clarity in the law, we cannot provide assurances that the positions asserted by the IRS may not ultimately be sustained, which could result in the assessment of potential penalties. You have the ultimate responsibility for your compliance with the arbitrage laws; therefore, you should review the calculations carefully.

The IRS and some states have promulgated "tax shelter" rules that require taxpayers to disclose their participation in "reportable transactions" by attaching a disclosure form to their federal and/or state income tax returns and, when necessary, by filing a copy with the Internal Revenue Service and/or the applicable state agency. These rules impose significant requirements to disclose transactions and such disclosures may encompass many transactions entered into in the normal course of business. Failure to make such disclosures will result in substantial penalties. In addition, an excise tax is imposed on exempt organizations (including state and local governments) that are a party to prohibited tax shelter transactions (which are defined using the reportable transaction rules). Client is responsible for ensuring that it has properly disclosed all "reportable transactions" and, where applicable, complied with the excise tax provision. The LLS Tax services that are the subject of this Engagement Letter do not include any undertaking by LLS Tax to identify any reportable transactions that have not been the subject of a prior consultation between LLS Tax and Client. Such services, if desired by Client, will be the subject of a separate engagement letter. LLS Tax may also be required to report to the IRS or certain state tax authorities certain tax services or transactions as well as Client's participation therein. The determination of whether, when and to what extent LLS Tax complies with its federal or state "tax shelter" reporting requirements will be made exclusively by LLS Tax. LLS Tax will not be liable for any penalties resulting from Client's failure to accurately and timely file any required disclosure or pay any related excise tax nor will LLS Tax be held responsible for any consequences of its own compliance with its reporting obligations. Please note that any disclosure required by or made pursuant to the tax shelter rules is separate and distinct from any other disclosure that Client might be required to or choose to make with its tax returns (e.g., disclosure on federal Form 8275 or similar state disclosure).

PROFESSIONAL FEES AND EXPENSES

Our professional fees for services listed above for the bond year ended June 17, 2020, is $550. We will bill you upon completion of our services or on a monthly basis. Our invoices are payable upon receipt. Additionally, you may request additional consulting services from us upon occasion; we will bill you for these consulting services at a beforehand agreed upon rate.

Unanticipated factors that could increase our fees beyond the estimate given above include the following (without limitation). Should any of these factors arise we will alert you before additional fees are incurred.

- Investment data provided by you is not in good order or is unusually voluminous.

- Proceeds of bonds have been commingled with amounts not considered gross proceeds of the bonds (if that circumstance has not previously been communicated to us).

- A review or other inquiry by the IRS with respect to an issue of bonds.

ACCEPTANCE

You understand that the arbitrage services, report and IRS forms described above are solely to assist you in meeting your requirements for federal income tax compliance purposes. This Engagement Letter constitutes the entire agreement between Client and LLS Tax with respect to this engagement, supersedes all other oral and written representations, understandings or agreements relating to this engagement, and may not be amended except by the mutual written agreement of the Client and LLS Tax.

Please indicate your acceptance of this agreement by signing in the space provided below and returning a copy of this Engagement Letter to us. Thank you again for this opportunity to work with you.

Very truly yours,
LLS Tax Solutions Inc.

Re: $9,300,000 Stoneybrook South Community Development District (Osceola County, Florida) Special Assessment Refunding Bonds, Series 2013 (Assessment Area One Project) ("Bonds")

Stoneybrook South Community Development District ("Client") has requested that we prepare certain computations related to the above-described Bonds for the period ended June 17, 2019 ("Computation Period"). The scope of our engagement consisted of the preparation of computations to determine the Rebate Requirement for the Bonds for the Computation Period as described in Section 148(f) of the Internal Revenue Code of 1986, as amended ("Code"), and this report is not to be used for any other purpose.

In order to prepare these computations, we were provided by the Client with and have relied upon certain closing documents for the Bonds and investment earnings information on the proceeds of the Bonds during the Computation Period. The attached schedule is based upon the aforementioned information provided to us. The assumptions and computational methods we used in the preparation of the schedule are described in the Summary of Notes, Assumptions, Definitions and Source Information. A brief description of the schedule is also attached.

The results of our computations indicate a negative Cumulative Rebate Requirement of $(249,185.02) at June 17, 2019. As such, no amount must be on deposit in the Rebate Fund.

As specified in the Form 8038G, the calculations have been performed based upon a Bond Yield of 6.3726%. Accordingly, we have not recomputed the Bond Yield.

The scope of our engagement was limited to the preparation of a mathematically accurate Rebate Requirement for the Bonds for the Computation Period based on the information provided to us. The Rebate Requirement has been determined as described in the Code, and regulations promulgated thereunder ("Regulations"). We have no obligation to update this report because of events occurring, or information coming to our attention, subsequent to the date of this report.

SUMMARY OF NOTES, ASSUMPTIONS, DEFINITIONS, SOURCE INFORMATION, AND DESCRIPTION OF SCHEDULE

Stoneybrook South Community Development District
July 16, 2019
$9,300,000 Special Assessment Refunding Bonds, Series 2013 (Assessment Area One Project)
For the period ended June 17, 2019

NOTES AND ASSUMPTIONS

1. The issue date of the Bonds is June 18, 2013.

2. The end of the first Bond Year for the Bonds is June 17, 2014.

3. Computations of yield are based upon a 30-day month, a 360-day year and semiannual compounding.

4. We have assumed that the only funds and accounts relating to the Bonds that are subject to rebate under Section 148(f) of the Code are shown in the attached schedule.

5. For investment cash flow purposes, all payments and receipts are assumed to be paid or received, respectively, as shown in the attached schedule. In determining the Rebate Requirement for the Bonds, we have relied on information provided by you without independent verification, and we can therefore express no opinion as to the completeness or suitability of such information for such purposes. In addition, we have undertaken no responsibility to review the tax exempt status of interest on the Bonds.

6. We have assumed that the purchase and sale prices of all investments as represented to us are at fair market value, exclusive of brokerage commissions, administrative expenses, or similar expenses, and representative of arms' length transactions that did not artificially reduce the Rebate Requirement for the Bonds, and that no "prohibited payments" occurred and no "imputed receipts" are required with respect to the Bonds.

7. Ninety percent (90%) of the Rebate Requirement as of the next "computation date" ("Next Computation Date") is due to the United States Treasury not later than 60 days thereafter ("Next Payment Date"). (An issuer may select any date as a computation date, as long as the first computation date is not later than five years after the issue date, and each subsequent computation date is no more than five years after the previous computation date.) No other payment of rebate is required prior to the Next Payment Date. The Rebate Requirement as of the Next Computation Date will not be the Rebate Requirement reflected herein, but will be based on future computations that will include the period ending on the Next Computation Date. If all of the Bonds are retired prior to what would have been the Next Computation Date, one hundred percent (100%) of the unpaid Rebate Requirement computed as of the date of retirement will be due to the United States Treasury not later than 60 days thereafter.

8. For purposes of determining what constitutes an "issue" under Section 148(f) of the Code, we have assumed that the Bonds constitute a single issue and are not required to be aggregated with any other bonds.

For the period ended June 17, 2019

NOTES AND ASSUMPTIONS (cont'd)

9. The accrual basis of accounting has been used to calculate earnings on investments. Earnings accrued but not received at the last day of the Computation Period are treated as though received on that day. For investments purchased at a premium or a discount (if any), amortization or accretion is included in the earnings accrued at the last day of the Computation Period. Such amortization or accretion is computed in such a manner as to result in a constant rate of return for such investment. This is equivalent to the "present value" method of valuation that is described in the Regulations.

10. No provision has been made in this report for any debt service fund. Under Section 148(f)(4)(A) of the Code, a "bona fide debt service fund" for public purpose bonds issued after November 10, 1988 is not subject to rebate if the average maturity of the issue of bonds is at least five years and the rates of interest on the bonds are fixed at the issue date. It appears and has been assumed that the debt service fund allocable to the Bonds qualifies as a bona fide debt service fund, and that this provision applies to the Bonds.

11. The Assessment Area One Bonds are being issued to provide funds to the District that will be used, along with other legally available moneys, to: (i) currently refund $3,825,000 of the District's Special Assessment Revenue Bonds, Series 2007A, originally issued in the aggregate principal amount of $9,220,000 and currently outstanding in the aggregate principal amount of $8,715,000 (the "Series 2007A Bonds"); (ii) currently refund $5,465,000 of the District's Special Assessment Revenue Bonds, Series 2007B, originally issued in the aggregate principal amount of $39,250,000, and currently outstanding in the aggregate principal amount of $37,005,000 (the "Series 2007B Bonds," and with the Series 2007A Bonds, the "Series 2007 Bonds"); (iii) pay interest on the Assessment Area One Bonds through at least November 1, 2013, (iv) fund the Assessment Area One Reserve Account in an amount equal to the Assessment Area One Reserve Requirement; and (v) pay the costs of issuance of the Assessment Area One Bonds.

THIS AGREEMENT made and entered into this ___ day of ________________, 2019, by and between:

Stoneybrook South Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, and located in Osceola County, Florida (the "District"); and

Hamilton Engineering & Surveying, Inc., a Florida corporation, with a mailing address of 775 Warner Lane, Orlando, Florida 32803 (the "Engineer").

WHEREAS, the District is a local unit of special-purpose government established and existing pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes* ("Uniform Act"), by ordinance of Osceola County, Florida; and

WHEREAS, the District is authorized to plan, finance, construct, install, acquire and/or maintain improvements, facilities and services in conjunction with the development of the lands within the District; and

WHEREAS, pursuant to sections 190.033 and 287.055, *Florida Statutes*, the District solicited proposals from qualified firms to provide professional engineering services on a continuing basis; and

WHEREAS, Engineer submitted a proposal to serve in this capacity; and

WHEREAS, the District's Board of Supervisors ranked Engineer as the most qualified firm to provide professional engineering services for the District and authorized the negotiation of a contract pursuant to section 287.055, *Florida Statutes*; and

WHEREAS, the District intends to employ Engineer to perform engineering, construction administration, environmental management and permitting, financial and economic studies, as defined by a separate work authorization or work authorizations; and

WHEREAS, the Engineer shall serve as District's professional representative in each service or project to which this Agreement applies and will give consultation and advice to the District during performance of these services.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the acts and deeds to be performed by the parties and the payments by the District to the Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

Article 1. Scope of Services

A. The Engineer will provide general engineering services, including:

1. Preparation of any necessary reports and attendance at meetings of the District's Board of Supervisors.
2. Providing professional engineering services including, but not limited to, review and execution of documents under any of the District's Trust Indentures and monitoring of District projects.
3. Any other items requested by the Board of Supervisors.

B. Engineer shall, when authorized by the Board, provide general services related to construction of any District projects including, but not limited to:

1. Periodic visits to the site, or full-time construction management of District projects, as directed by District.
2. Processing of contractors' pay estimates.
3. Preparation of, and/or assistance with, the preparation of work authorizations, requisitions, change orders and acquisitions for review by the District Manager, District Counsel and the Board.
4. Final inspection and requested certificates for construction including the final certificate of construction.
5. Consultation and advice during construction, including performing all roles and actions required of any construction contract between District and any contractor(s) in which Engineer is named as owner's representative or "Engineer."
6. Any other Activity related to construction as authorized by the Board.

C. With respect to maintenance of the facilities, Engineer shall render such services as authorized by the Board.

Article 2. Method of Authorization. Each service or project shall be authorized in writing by the District. The written authorization shall be incorporated in a work authorization which shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project bring authorized ("Work Authorization"). Authorization of services or projects under the contract shall be at the sole option of the District.

Article 3. Compensation. It is understood and agreed that the payment of compensation for services under this contract shall be stipulated in each Work Authorization. One of the following methods will be utilized:

A. Lump Sum Amount – The District and Engineer shall mutually agree to a lump sum amount for the services to be rendered payable monthly in direct proportion to the work accomplished. For any lump-sum or cost-plus-a-fixed-fee professional service contract over the threshold amount provided in Section 287.017 of the Florida Statutes for CATEGORY FOUR, the District shall require the Engineer to execute a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. The price for any lump sum Work Authorization, and any additions thereto, will be adjusted to exclude any significant sums by which the District determines the Work Authorization was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such adjustments must be made within 1 year following the completion of the work contemplated by the lump sum Work Authorization.

B. Hourly Personnel Rates – For services or projects where the scope of services is not clearly defined or recurring services or other projects where the District desires the use of the hourly compensation rates outlined in **Exhibit "A."** The District and Engineer may agree to a "not to exceed" amount when utilizing hourly personnel rates for a specific work authorization.

Article 4. Reimbursable Expenses. Reimbursable expenses consist of actual expenditures made by Engineer, its employees, or its consultants in the interest of the project for the incidental expenses as listed as follows:

A. Expenses of transportation and living when traveling in connection with a project, for long distance phone calls and telegrams, and fees paid for securing approval of authorities having jurisdiction over the project. All expenditures shall be made in accordance with Chapter 112, *Florida Statutes*, and with the District's travel policy.

B. Expense of reproduction, postage and handling of drawings and specifications.

Article 5. Term of Contract. It is understood and agreed that the term of this contract will be from the time of execution of this contract by the parties until terminated in accordance with its terms.

Article 6. Special Consultants. When authorized in writing by the District, additional special consulting services may be utilized by Engineer and paid for on a cost basis.

Article 7. Books and Records. Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by Engineer for a period of at least four (4) years from and after completion of any services hereunder, or such further time as required under Florida's public records law. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

Article 8. Ownership of Documents.

A. All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement (the "Work Product") shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

B. The Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer in the District's sole discretion, to retain possession for a longer period of time. Upon termination of Engineer's services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the District's prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the District. If said work product is used by the District for any purpose other than that purpose which is intended by this Agreement, the District shall indemnify Engineer from any and all claims and liabilities which may result from such re-use, in the event Engineer does not consent to such use.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. The Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

Article 9. Accounting Records. Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

Article 10. Independent Contractor. Engineer and District agree that Engineer is and shall remain at all times an independent contractor and shall not in any way claim or be considered an employee of the District. Engineer shall not have authority to hire persons as employees of District.

Article 11. Reuse of Documents. All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by Engineer will be at the District's sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to District are subject to reuse in accordance with section 287.055(10), *Florida Statutes*.

Article 12. Estimate of Cost. Since Engineer has no control over the cost of labor, materials or equipment or over a contractor's methods of determining prices, or over competitive bidding or market conditions, his opinions of probable cost provided as a service hereunder are to be made on the basis of his experience and qualifications and represent his best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by him. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

Article 13. Insurance. Engineer shall, at its own expense, maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers Compensation	Statutory
General Liability	
Bodily Injury (including Contractual)	$1,000,000/$2,000,000
Property Damage (including Contractual)	$1,000,000/$2,000,000
Automobile Liability	
Bodily Injury/Property Damage	Combined Single Limits $1,000,000
Professional Liability for Errors and Omissions	$1,000,000

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties (except on Professional Liability for Errors and Omissions). The

Engineer shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this Article. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

Article 14. Contingent Fee. The Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

Article 15. Audit. The Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of three years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of the Engineer involving transactions related to the Agreement. The Engineer agrees that payment made under the Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three years after completion of all work under the Agreement.

Article 16. Indemnification. The Engineer agrees, to the fullest extent permitted by law, to indemnify, defend, and hold the District harmless of and from any and all liabilities, claims, causes of action, demands, suits, or losses arising from the negligent acts, errors or omissions of the Engineer, Engineer's agents or employees, in the performance of professional services under this Agreement. Engineer agrees and covenants that nothing herein shall constitute or be construed as a waiver of the District's sovereign immunity pursuant to section 768.28, *Florida Statutes*.

Article 17. Public Records. Engineer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, *Florida Statutes*. Engineer acknowledges that the designated public records custodian for the District is George Flint ("Public Records Custodian"). Among other requirements and to the extent applicable by law, the Engineer shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if the Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by the Engineer, the Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats.

Article 19. Controlling Law; Jurisdiction and Venue. The Engineer and the District agree that this Agreement shall be controlled and governed by the laws of the State of Florida. Jurisdiction and venue for any proceeding with respect to this Agreement shall be in Osceola County, Florida
