**FIRST ORDER OF BUSINESS**

**Roll Call**

Mr. Flint called the meeting to order. Three Board members were present constituting a quorum. Two Board members participated by phone.

**SECOND ORDER OF BUSINESS**

**Public Comment Period**

Mr. Flint: Next is public comment period. Hearing none, we will move on to the next item.

**THIRD ORDER OF BUSINESS**

**Business Administration**

**A. Approval of Minutes of the February 7, 2022 Meeting**

Mr. Flint: We've got the approval of the minutes from your February 7, 2022 meeting. Were there any comments or corrections to those minutes? If not, is there a motion to approve them?

On MOTION by Mr. Siron, seconded by Ms. Dan Tu, with all in favor, the Minutes of the February 7, 2022, Board Meeting, were approved, as presented.

**B. Consideration of Check Register**

Mr. Flint: We have the check register from January 31<sup>st</sup> through March 28<sup>th</sup> for the general fund and the Board payroll and that total is \$163,941.53. The detailed register is behind the summary. You can see there are several checks to the Trustee transferring debt service assessment revenue that comprises most of that amount. Any questions on the check register? If not is there a motion to approve it?

On MOTION by Mr. Siron, seconded by Mr. Nembirkow, with all in favor, the Check Register totaling \$163,941.52, was approved.

**C. Balance Sheet and Income Statement**

Mr. Flint: You also have the unaudited financials through February 28, 2022 and it includes the income statement for the general fund, capital reserve, and debt service funds, as well as the combined balance sheet and month to month of the general fund. There is also an assessment receipt schedule. Any questions on the financial statements? Hearing none, we will move on to the next item.

**FOURTH ORDER OF BUSINESS**

**Business Items**

**A. Consideration of Special Warranty Deed with LEN-CG South, LLC for Conveyance of Tract PR-2**

Mr. Flint: The next item we have under business items is a Special Warranty Deed from LEN-CG South, which is a Lennar entity, to the CDD. This is for the PR-2 tract which is a pond. Alan, you want to explain the location of that?

Mr. Scheerer: Yeah, just over by the club, down by the architectural fountain there's a pond behind the tennis courts. We've been maintaining it. It's just been in the name of Lennar, so now it's being officially transferred to the District. It's a dry pond, it's over by the pickle ball tennis court area, Dove Valley.

Mr. Flint: And if you remember at the last meeting the HOA was going through ownership of stormwater, roads, and all that, and there were some clean up items and this was one of the ones they identified. I think they might have had one or two other tracts that they thought we should own, but the Board didn't agree with that, and this is the one you made a motion at the last meeting

to have this one cleaned up. District Counsel, who is on the phone, prepared the Special Warranty Deed. Vivek, any comments?

Mr. Babbar: Yeah, thanks George. It's a standard warranty deed as we discussed at the last Board meeting. This is the only parcel of land that we believe is going to come to the CDD from Lennar. Everything else is either going to go to the HOA or the other CDD. I'd be happy to answer any questions, but we are just looking for the Board to basically accept the conveyance once it happens, and the backup documentation is really for Lennar to provide those affidavits. So, we don't have to sign anything.

Mr. Flint: The affidavits are protections for the District for things like confirming the taxes have been paid, there's no liens on the property, that sort of thing. Any questions on the warranty deed? If not, is there a motion to approve the form of the warranty deed and affidavits? And that motion would also be to accept the conveyance, that is part of that.

On MOTION by Mr. Siron, seconded by Ms. Dan Tu, with all in favor, the Special Warranty Deed with LEN-CG South, LLC for Conveyance of Tract PR-2, was approved.

**B. Consideration of Resolution 2022-02 Approving the Proposed Fiscal Year 2023 Budget and Setting a Public Hearing**

Mr. Flint: Alright, each year the Board is required to approve what's called a proposed budget by June 15<sup>th</sup> and then set the date, place, and time of your public hearing. This is the start of the budget process. The proposed budget is not binding on the Board and it's a statutory requirement that you approve an initial budget when you set your public hearing. We've prepared Resolution 2022-02 approving the proposed budget, which is attached as Exhibit A, and then setting the public hearing for your August 1<sup>st</sup> meeting at 10:00 a.m. in this location. So that allows us to do the noticing that's required and also and we have to post it on our website and send a copy to the county. There's a 21 and 14-day notice that is placed in the newspaper. At that August meeting is when you would consider final action. We aren't recommending any adjustments at this time to your per unit assessment amounts. So, there would not be a mailed notice required as part of this process unless the Board decided you wanted to increase the assessments. If you refer to Exhibit A, it's page 49 of the pdf, and that's your general fund. Your revenue is a combination of your on-roll assessments that are certified to the county and included on the tax bills. Then we are recognizing \$209,000 carry forward from the current year into next year. If you look at the current

year, when you adopted this year's budget, we created a Capital Reserve Fund. So, in the current year you have a large carry forward surplus, and you also see there's a transfer out to the Capital Reserve, so most of that carry forward that was recognized in the current year was for purposes of creating this new capital reserve fund. So, next year's proposed budget, we have the per unit assessments the same. We are slightly subsidizing the operation with your cash, but you have enough available cash that we don't believe you need to increase your assessments next year. You may want to consider it in a future year. Your admin expenses have gone up by \$2,400, most of that is we are asking in our management contract for a 5% increase. Our management fee is proposed to go from \$33,495 to \$35,149. As I think you have seen, most of your vendors, your landscape, your lake maintenance, everyone is impacted by the increase in fuel, the increase in labor expenses. Basically, increase in doing business. We've not increased our fee that much since we've been hired but we are asking for an increase going into next year. Again, you are not adopting the budget today, if you want to make changes to this, we can make it in between now and the public hearing or at the public hearing if you choose to do that. Under operations and maintenance, the total number has gone down, but you'll see that in the current year there is \$1,000,000 that is being transferred out that is part of the O&M expense category. We are asking in our field services, again for the 5% increase that covers Alan, primarily the field management side of what we do. Alan's site visits and management of the onsite contracts, any repairs, and those sorts of things. Insurance, we have anticipated some increase there. Landscape maintenance we've included a 5% increase. I think Down to Earth has asked for that increase and we've deferred that until the Board has an opportunity to budget for it. Any questions on the general funds?

Ms. Dan Tu: I've looked through line by line and I have compared the current year and next year's budget. The difference is \$860 some dollars? It's pretty much in line. The only question I have is the stormwater system that we discussed last meeting. The \$15,000 is that still in the budget?

Mr. Flint: It's in the current year. If you see under miscellaneous, there's a \$5,000 budget and \$15,000 estimated.

Ms. Dan Tu: So, it's already included in the current year budget?

Mr. Flint: Yes, it is in the current year and it only has to be done every 5 years, so it's not an annual recurring, in 5 years we will need to re-budget for that.

Ms. Dan Tu: Thank you.

Mr. Flint: Any other questions or discussion? If not, if the Board is comfortable with setting a public hearing for your August meeting, we would ask for a motion to approve Resolution 2022-02.

On MOTION by Mr. Siron, seconded by Ms. Dan Tu, with all in favor, the Resolution 2022-02 Approving the Proposed Fiscal Year 2023 Budget and Setting the Public Hearing for August 1, 2022 at 10:00 a.m. Oasis Club at ChampionsGate, 1520 Oasis Club Blvd., ChampionsGate, Florida, was approved.

**C. General Election Qualifying Period and Procedure**

Mr. Flint: This is an even numbered year, which means we've got a general election coming up in 2022. We have Buzz, Bob's and Chris's seat that are all up for election this November. First Tuesday in November it will appear on the ballot. To be able to qualify to run for those seats, you have to go through the Supervisor of Elections Office. This handout shows you the qualifying period is from noon on June 13<sup>th</sup> – noon on June 17, 2022. You have to file a Form 1, which you should have on file. I don't know if they make you do that again. There's a candidate oath and you can either pay a \$25 qualifying fee or you can get 25 signatures from registered voters that live within the boundaries of the CDD. Those are the primary requirements, if you don't accept campaign contributions, there's a streamline to process you don't have to open up a campaign account and do the campaign reporting and name a campaign accountant and all that. So, they've streamlined the process for special districts.

Mr. Manjourides: Can this be done online?

Mr. Flint: I would suggest contacting the Supervisor of Elections Office and asking them. I don't want to give you bad information, because we are not involved in the election process at all. When it was landowner elected, we actually ran the election process. But once it transitions to general election, it's the Osceola County's Supervisor of Elections that handles all that. If only 1 person qualifies, then you basically are elected unopposed. If no one qualifies for a seat, the Board has to declare that seat vacant and then if it's occupied, the person in it can serve in a carryover capacity for a period of time until the Board appoints a replacement. Or if for some reason the person that was in that seat didn't qualify, and no one else qualified, the Board can re-appoint that person if they wanted to. It's a little bit of a gamble to save \$25 and hope that no one else qualifies, because you may get someone qualified that you don't want to qualify. Anything you want to add Vivek?

Mr. Babbar: No, nothing further to add on my end.

Mr. Flint: Okay, any questions on this? That's really informational and there's no action required on that. But just to remind everybody who's seats are coming up and what the time frames are for qualifying.

## **FIFTH ORDER OF BUSINESS**

### **Staff Reports**

#### **A. District Counsel**

Mr. Flint: Vivek, anything from counsel?

Mr. Babbar: No, but from last Board meeting I just want to let the Board know that the legislative session did end in March. If anyone has been paying attention, they were much preoccupied with other issues. So, a lot of the bills that were related to or impacted CDD's didn't go anywhere. There's one bill that did pass. It's House Bill 749 that will allow, once the Governor signs it, it hasn't been presented to the Governor yet. Once the Governor signs it, it will be effective January 1, 2023. It will allow meeting notices to be placed on the county's website if the county so chooses to allow that, or a private website designated by the county for notices. It's going to be interesting to see how it plays out. Some other bills passed that aren't of significant importance really related to financial stability for vendors as well as clarification on lobbying and how you cannot do that. We will be reviewing and see if there's anything else that slips into other bills but so far, we haven't had any. We will update at future Board meetings. I'd be happy to answer any questions if there are any.

Mr. Flint: This is an election year, so as Vivek indicated not a lot got done in the state legislative session because most of the legislatures were preoccupied or didn't want to create any issue that may adversely impact them in the election process. So, it was pretty quiet. There is a special session coming up on congressional boundaries, is that correct Vivek?

Mr. Babbar: Yes, that's right.

Mr. Flint: They believe that the Governor and the leaders in the House and Senate have already kind of worked that out. So that should be a short session, and there was really only one District, I think that the Governor was claiming was gerrymandered, ran from Tallahassee to Jacksonville. The concern is that there may be something added to the special session if you've seen the news, with the Governor and Walt Disney World. What he's been hinting at deals with the Reedy Creek Improvement District, which is a special District like a CDD, but was created by a special act of the legislature and so there are some concerns that possibly that issue would be

tacked on to the special session. We are all kind of monitoring it to make sure that there's not some global legislative change that would have on unintended consequences on other special Districts.

**B. District Engineer**

Mr. Flint: District Engineer, Dave, anything else?

Mr. Reid: I have nothing new to report.

**C. District Manager**

Mr. Flint: I don't have anything other than what we have on the agenda.

**D. Field Manager**

Mr. Flint: Alan, your Field Manager report.

Mr. Scheerer: Included in your agenda pack is the Field Manager's Report. The architectural fountain is in good shape. We are still doing irrigation inspections and repairs as needed. We did make some repairs to the Bella Citta entrance to the archway way lights. We had a landscape light that was broken off, we got those fixed. We are continuing to work through some of the interior monuments with the interior lighting. I think we still have a couple of those out. All fountains at the time of the report were working, but I got an email over the weekend about 27. We have one on the north side that will not reset as of this morning. The one on the south side is working, we reset the breaker, I'm assuming it's from the storms. I've got an email into Lake Fountains and Aeration who does the repairs on the fountains and try to get them out here as quickly as possible to diagnose the problem with that one. The other fountains seem to be holding up really well, they are all working. We had new annuals installed, the ponds should be scheduled any day now. I think they were a little behind because of the weather. We continue to meet with Down to Earth to review all the property. Weather is warming up so you may see a little adjustment in the irrigation run times. We've been on a winter schedule, but as we move into weekly service with the landscaper and the temperature starts going up, you will probably see a little bit more water running. We try to keep that within the requirements for the District. Detail crew will be trimming hedges and pulling weeds. We are looking at replacing some of the old Texas sage, which is the greenish, whitish plant that is around the architectural fountain. It's called Texas sage and some of that's getting really old and lanky, so we're going to be pulling that out and looking for some plant replacement in there. I will work with Down to Earth on that. Ant mounds are treated as needed. As we get rain and we get sun, we get ants. They just kind of go hand in hand. We will

be pressure washing all the monument entries, Bella Citta, 27, and Oasis Club, probably within the next 2-3 weeks. The pressure washer was just out here going through a few logistical challenges with all the traffic and stuff. So, probably as close to after spring break, and before summer, we can try to get them in here when the traffic is a little less busy. So, and that’s all I have as far as my report goes. I did get some wonderful photos from my favorite photographer. Most of them we are aware of, and at some point we will be painting and working on stucco cracks on the monuments as well.

Mr. Flint: Any questions for Alan?

Mr. Manjourides: As you are coming in Bella Citta on the right, where it says ChampionsGate, there’s one brick missing. So, when they go to pressure wash, they might pull a few more bricks out if they get behind it.

Mr. Scheerer: Well, it should just be a soft wash. I do understand what you are saying. We’ll be mindful and I’ll see if I can find that missing brick. If not, we’ll find a missing brick.

Mr. Flint: Alright, that was all the agenda items we had.

**SIXTH ORDER OF BUSINESS**

**Supervisor’s Requests**

Mr. Flint: Are there any other items the Board wanted to discuss that was not on the agenda?

**SEVENTH ORDER OF BUSINESS**

**Adjournment**

Mr. Flint: If there is nothing else, is there a motion to adjourn?

On MOTION by Mr. Siron, seconded by Ms. Dan Tu, with all in favor, the meeting was adjourned.

## REPORT OF INDEPENDENT AUDITORS

To the Board of Supervisors  
Stoneybrook South Community Development District  
Osceola County, Florida

### Report on the Financial Statements

We have audited the accompanying financial statements of Stoneybrook South Community Development District as of and for the year ended September 30, 2021, and the related notes to financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Accounting Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Fort Pierce / Stuart

To the Board of Supervisors  
Stoneybrook South Community Development District

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of Stoneybrook South Community Development District, as of September 30, 2021, and the respective changes in financial position and the budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the Management Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated April 13, 2022 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations and contracts. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Stoneybrook South Community Development District's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**For the Year Ended September 30, 2021**

Management's discussion and analysis of Stoneybrook South Community Development District (the "District") financial performance provides an objective and easily readable analysis of the District's financial activities. The analysis provides summary financial information for the District and should be read in conjunction with the District's financial statements.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

The District's basic financial statements comprise three components; 1) *Government-wide financial statements*, 2) *Fund financial statements*, and 3) *Notes to financial statements*. The *Government-wide financial statements* present an overall picture of the District's financial position and results of operations. The *Fund financial statements* present financial information for the District's major funds. The *Notes to financial statements* provide additional information concerning the District's finances.

The *Government-wide financial statements* are the **statement of net position** and the **statement of activities**. These statements use accounting methods similar to those used by private-sector companies. Emphasis is placed on the net position of governmental activities and the change in net position. Governmental activities are primarily supported by special assessments.

The **statement of net position** presents information on all assets and liabilities of the District, with the difference between assets and liabilities reported as net position. Assets, liabilities, and net position are reported for all Governmental activities.

The **statement of activities** presents information on all revenues and expenses of the District and the change in net position. Expenses are reported by major function and program revenues relating to those functions are reported, providing the net cost of all functions provided by the District. To assist in understanding the District's operations, expenses have been reported as governmental activities. Governmental activities financed by the District include general government, physical environment and debt service.

*Fund financial statements* present financial information for governmental funds. These statements provide financial information for the major funds of the District. Governmental fund financial statements provide information on the current assets and liabilities of the funds, changes in current financial resources (revenues and expenditures), and current available resources.

**Stoneybrook South Community Development District**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**For the Year Ended September 30, 2021**

**OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)**

*Fund financial statements* include a **balance sheet** and a **statement of revenues, expenditures and changes in fund balances** for all governmental funds. A **statement of revenues, expenditures, and changes in fund balances – budget and actual** is provided for the District's General Fund. *Fund financial statements* provide more detailed information about the District's activities. Individual funds are established by the District to track revenues that are restricted to certain uses or to comply with legal requirements.

The *government-wide financial statements* and the *fund financial statements* provide different pictures of the District. The *government-wide financial statements* provide an overall picture of the District's financial standing. These statements are comparable to private-sector companies and give a good understanding of the District's overall financial health and how the District paid for the various activities, or functions, provided by the District. All assets of the District, including capital assets, are reported in the **statement of net position**. All liabilities, including principal outstanding on bonds and notes are included. In the **statement of activities**, transactions between the different functions of the District have been eliminated in order to avoid "doubling up" the revenues and expenses. The *fund financial statements* provide a picture of the major funds of the District. In the case of governmental activities, outlays for long lived assets are reported as expenditures and long-term liabilities, such as general obligation bonds, are not included in the fund financial statements. To provide a link from the *fund financial statements* to the *government-wide financial statements*, reconciliation is provided from the *fund financial statements* to the *government-wide financial statements*.

*Notes to financial statements* provide additional detail concerning the financial activities and financial balances of the District. Additional information about the accounting practices of the District, investments of the District, capital assets and long-term debt are some of the items included in the *notes to financial statements*.

**Financial Highlights**

The following are the highlights of financial activity for the year ended September 30, 2021.

- ◆ The District's total assets and deferred outflows of resources exceeded total liabilities and deferred inflows of resources by \$18,636,584 (net position). Unrestricted net position was \$1,601,574, restricted net position was \$938,433 and net investment in capital assets was \$16,096,577.
- ◆ Governmental activities revenues totaled \$2,678,226 while governmental activities expenses totaled \$4,194,642.

The increase in current assets and restricted assets is due to revenues exceeding expenditures at the fund level in the current year.

The decrease in capital assets is mainly related to depreciation for the current year.

The decrease in total liabilities is related to the principal payments made in the current year.

The decrease in net position is related to expenses exceeding revenues in the current year.

**Stoneybrook South Community Development District**  
**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2021**

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The District's more significant accounting policies are described below.

**1. Reporting Entity**

The District was established on July 24, 2006, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, (the "Act"), by Ordinance No. 06-26 and amended by Ordinance No. 2016-69, of the Board of County Commissioners of Osceola County, as a Community Development District. The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of the infrastructure necessary for community development within its jurisdiction. The District is authorized to issue bonds for the purpose, among others, of financing, funding, planning, establishing, acquiring, constructing district roads, landscaping, and other basic infrastructure projects within or outside the boundaries of the Stoneybrook South Community Development District. The District is governed by a Board of Supervisors who are elected on an at large basis by the qualified electors within the District. The District operates within the criteria established by Chapter 190, Florida Statutes.

As required by GAAP, these financial statements present the Stoneybrook South Community Development District (the primary government) as a stand-alone government. The reporting entity for the District includes all functions of government in which the District's Board exercises oversight responsibility including, but not limited to, financial interdependency, selection of governing authority, designation of management, significant ability to influence operations and accountability for fiscal matters.

Based upon the application of the above-mentioned criteria as set forth in Governmental Accounting Standards, the District has identified no component units.

**2. Measurement Focus and Basis of Accounting**

The basic financial statements of the District are composed of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to financial statements

**September 30, 2021**

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2. Measurement Focus and Basis of Accounting (Continued)**

**a. Government-wide Financial Statements**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Government-wide financial statements report all non-fiduciary information about the reporting government as a whole. These statements include all the governmental activities of the primary government. The effect of interfund activity has been removed from these statements.

Governmental activities are supported by special assessments. Program revenues are netted with program expenses in the statement of activities to present the net cost of each program.

Amounts paid to acquire capital assets are capitalized as assets, rather than reported as an expenditure. Proceeds of long-term debt are recorded as liabilities in the government-wide financial statements, rather than as an other financing source.

Amounts paid to reduce long-term indebtedness of the reporting government are reported as a reduction of the related liability, rather than as an expenditure.

**b. Fund Financial Statements**

The underlying accounting system of the District is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Fund financial statements for the primary government's governmental funds are presented after the government-wide financial statements. These statements display information about major funds individually.

**b. Fund Financial Statements (Continued)**

**Governmental Funds**

The District reports fund balance according to Governmental Accounting Standards Board Statement 54 – Fund Balance Reporting and Governmental Fund Type Definitions. The Statement requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent.

The District has various policies governing the fund balance classifications.

**Nonspendable Fund Balance** – This classification consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.

**Restricted Fund Balance** – This classification includes amounts that can be spent only for specific purposes stipulated by constitution, external resource providers, or through enabling legislation.

**Assigned Fund Balance** – This classification consists of the Board of Supervisors' intent to be used for specific purposes, but are neither restricted nor committed. The assigned fund balances can also be assigned by the District's management company.

**Unassigned Fund Balance** – This classification is the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications. Unassigned fund balance is considered to be utilized first when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

**Fund Balance Spending Hierarchy** – For all governmental funds except special revenue funds, when restricted, committed, assigned, and unassigned fund balances are combined in a fund, qualified expenditures are paid first from restricted or committed fund balance, as appropriate, then assigned and finally unassigned fund balances.

**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2021**

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2. Measurement Focus and Basis of Accounting (Continued)**

**b. Fund Financial Statements (Continued)**

**Governmental Funds (Continued)**

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are considered to be available when they are collected within the current period or soon thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Interest associated with the current fiscal period is considered to be an accrual item and so has been recognized as revenue of the current fiscal period.

Under the current financial resources measurement focus, only current assets and current liabilities are generally included on the balance sheet. The reported fund balance is considered to be a measure of “available spendable resources”.

Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spendable resources” during a period.

Because of their spending measurement focus, expenditure recognition for governmental fund types excludes amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

Amounts expended to acquire capital assets are recorded as expenditures in the year that resources are expended, rather than as fund assets. The proceeds of long-term debt are recorded as an other financing source rather than as a fund liability.

Debt service expenditures are recorded only when payment is due.

**3. Basis of Presentation**

**a. Governmental Major Funds**

General Fund – The General Fund is the District’s primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

**3. Basis of Presentation (Continued)**

**a. Governmental Major Funds (Continued)**

Debt Service Fund – The Debt Service Fund accounts for debt service requirements to retire Special Assessment Bonds, which were used to finance the construction of certain improvements within the District.

**b. Non-current Governmental Assets/Liabilities**

GASB Statement 34 requires that non-current governmental assets, such as infrastructure, and non-current governmental liabilities, such as general obligation bonds be reported in the governmental activities column in the government-wide Statement of Net Position.

**4. Assets, Deferred Outflows, Liabilities, Deferred Inflows and Net Position**

**a. Cash and Investments**

Florida Statutes require state and local governmental units to deposit monies with financial institutions classified as "Qualified Public Depositories," a multiple financial institution pool whereby groups of securities pledged by the various financial institutions provide common collateral from their deposits of public funds. This pool is provided as additional insurance to the federal depository insurance and allows for additional assessments against the member institutions, providing full insurance for public deposits.

The District is authorized to invest in those financial instruments as established by Section 218.415, Florida Statutes. The authorized investments consist of:

1. Direct obligations of the United States Treasury;
2. The Local Government Surplus Funds Trust or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperative Act of 1969;
3. Interest-bearing time deposits or savings accounts in authorized qualified public depositories;

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**4. Assets, Deferred Outflows, Liabilities, Deferred Inflows and Net Position (Continued)**

**a. Cash and Investments (Continued)**

4. Securities and Exchange Commission, registered money market funds with the highest credit quality rating from a nationally recognized rating agency.

Cash and cash equivalents include time deposits, certificates of deposit, money market funds, and all highly liquid debt instruments with original maturities of three months or less.

**b. Restricted Assets**

Certain net position of the District are classified as restricted assets on the Statement of Net Position because their use is limited either by law through constitutional provisions or enabling legislation; or by restrictions imposed externally by creditors. In a fund with both restricted and unrestricted net position, qualified expenses are considered to be paid first from restricted net position and then from unrestricted net position.

**c. Capital Assets**

Capital assets, which include infrastructure, are reported in the governmental activities column.

The District defines capital assets as assets with an initial, individual cost of \$5,000 or more and an estimated useful life in excess of one year. The valuation basis for all assets is historical cost.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its useful life are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Depreciation of capital assets is computed and recorded by utilizing the straight-line method over the assets' estimated useful lives ranging from 15 to 25 years.

**d. Deferred Outflows of Resources**

Deferred outflow of resources is the consumption of net position by the government that is applicable to a future reporting period. Deferred amount on refunding is amortized and recognized as a component of interest expense over the life of the bond.

**Stoneybrook South Community Development District**  
**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2021**

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**4. Assets, Deferred Outflows, Liabilities, Deferred Inflows and Net Position (Continued)**

**e. Deferred Inflows of Resources**

Deferred inflows of resources represent an acquisition of net position that applies to a future reporting period(s) and so will not be recognized as an inflow of resources (revenue) until then. The District only has one item that qualifies for reporting in this category. Deferred gain on refunding is reported only at the government-wide level. This amount is deferred and recognized as an inflow of resources in the period that amounts become available.

**f. Bond Discounts**

Bond discounts associated with the issuance of bonds are amortized over the life of the bonds using the straight-line method of accounting.

**g. Budgets**

Budgets are prepared and adopted after public hearings for the governmental funds, pursuant to Chapter 190, Florida Statutes. The District utilizes the same basis of accounting for budgets as it does for revenues and expenditures in its various funds. The legal level of budgetary control is at the fund level. All budgeted appropriations lapse at year end. Formal budgets are adopted for the general and debt service funds. As a result, deficits in the budget columns of the accompanying financial statements may occur.

**NOTE B – RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS**

**1. Explanation of Differences Between the Governmental Fund Balance Sheet and the Government-wide Statement of Net Position**

“Total fund balances” of the District’s governmental funds, \$4,367,043, differs from “net position” of governmental activities, \$18,636,584, reported in the Statement of Net Position. This difference primarily results from the long-term economic focus of the Statement of Net Position versus the current financial resources focus of the governmental fund balance sheet. The effect of the differences is illustrated on the following page.

**NOTE B – RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (CONTINUED)**

**1. Explanation of Differences Between the Governmental Fund Balance Sheet and the Government-wide Statement of Net Position (Continued)**

**Capital related items**

When capital assets (land, buildings and improvements, infrastructure and equipment that are to be used in governmental activities) are purchased or constructed, the cost of those assets is reported as expenditures in governmental funds. However, the Statement of Net Position included those capital assets among the assets of the District as a whole.

|                          |                      |
|--------------------------|----------------------|
| Infrastructure           | \$ 45,645,737        |
| Accumulated depreciation | <u>(9,598,811)</u>   |
| Total                    | <u>\$ 36,046,926</u> |

**Long-term debt transactions**

Long-term liabilities applicable to the District's governmental activities are not due and payable in the current period and accordingly are not reported as fund liabilities. All liabilities (both current and long-term) are reported in the Statement of Net Position. Balances at September 30, 2021 were:

|                    |                        |
|--------------------|------------------------|
| Bonds payable      | \$ (20,970,000)        |
| Bond discount, net | <u>157,655</u>         |
| Total              | <u>\$ (20,812,345)</u> |

**Deferred amount on refunding**

The difference between the outstanding balance of the old debt and the cost of the new debt is a deferred inflow/outflow of resources. This balance is amortized over the life of the new debt. The unamortized balance is reflected as deferred amount on refunding and deferred gain on refunding.

|                              |                     |
|------------------------------|---------------------|
| Deferred amount on refunding | \$ 20,581           |
| Deferred gain on refunding   | <u>(487,110)</u>    |
| Total                        | <u>\$ (466,529)</u> |

**Accrued interest**

Accrued liabilities in the Statement of Net Position differ from the amount reported in governmental funds due to the accrued interest on bonds.

|                  |                     |
|------------------|---------------------|

**NOTE B – RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (CONTINUED)**

**2. Explanation of Differences Between the Governmental Fund Operating Statements and the Statement of Activities**

The “net change in fund balances” for government funds, \$171,348, differs from the “change in net position” for governmental activities, \$(1,516,416), reported in the Statement of Activities. The differences arise primarily from the long-term economic focus of the Statement of Activities versus the current financial resources focus of the governmental funds. The effect of the differences is illustrated below:

**Capital related items**

When capital assets that are to be used in governmental activities are purchased or constructed, the resources expended for those assets are reported as expenditures in governmental funds. However, in the Statement of Activities, the costs of those assets is allocated over their estimated useful lives and reported as depreciation. As a result, fund balances decrease by the amount of financial resources expended, whereas net position decrease by the amount of depreciation charged for the year.

|                |                       |
|----------------|-----------------------|
| Depreciation   | \$ (2,277,873)        |
| Capital outlay | <u>49,595</u>         |
| Total          | <u>\$ (2,228,278)</u> |

**Long-term debt transactions**

When long-term debt is issued for governmental activities, the resources obtained are recognized as an other financing source at the fund level. At the government-wide level, however, the new debt increases non-current liabilities. Also, interest is recognized when due at the fund level, but is accrued at the government-wide level.

|                         |                   |
|-------------------------|-------------------|
| Debt principal payments | <u>\$ 510,000</u> |
| Accrued interest        | <u>\$ 10,812</u>  |

Amortization expense of the bond discount and deferred amounts on refunding does not require the use of current resources and therefore is not reported in the governmental funds.

|  |                  |
|--|------------------|
| Amortization of bond discount                | \$ (6,830)       |
| Amortization of deferred amount on refunding | (1,171)          |
| Amortization of deferred gain on refunding   | <u>27,703</u>    |
| Total  | <u>\$ 19,702</u> |

**NOTE C – CASH AND INVESTMENTS**

All deposits are held in qualified public depositories and are included on the accompanying balance sheet as cash and investments.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District does not have a formal deposit policy for custodial credit risk, however, they follow the provisions of Chapter 280, Florida Statutes regarding deposits and investments. As of September 30, 2021, the District's bank balance was \$93,734 and the carrying value was \$68,424. Exposure to custodial credit risk was as follows. The District maintains all deposits in a qualified public depository in accordance with the provisions of Chapter 280, Florida Statutes, which means that all deposits are fully insured by Federal Depositors Insurance or collateralized under Chapter 280, Florida Statutes.

Investments

As of September 30, 2021, the District had the following investments and maturities:

| <u>Investment</u>                   | <u>Maturity Date</u> | <u>Fair Value</u>  |
|-------------------------------------|----------------------|--------------------|
| First American Treasury Obligations | 13 days*             | \$2,752,313        |
| Florida PRIME                       | 49 days*             | 1,501,473          |
| Total                               |                      | <u>\$4,253,786</u> |

\*Weighted average maturity

The District categorizes its fair value measurements within the fair value hierarchy recently established by generally accepted accounting principles. The fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The District uses a market approach in measuring fair value that uses prices and other relevant information generated by market transactions involving identical or similar assets, liabilities, or groups of assets and liabilities.

Assets or liabilities are classified into one of three levels. Level 1 is the most reliable and is based on quoted price for identical assets, or liabilities, in an active market. Level 2 uses significant other observable inputs when obtaining quoted prices for identical or similar assets, or liabilities, in markets that are not active. Level 3 is the least reliable and uses significant unobservable inputs that use the best information available under the circumstances, which includes the District's own data in measuring unobservable inputs.

Based on the criteria in the preceding paragraph, the investment in First American Treasury Obligations is a Level 1 asset.

**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2021**

**NOTE C – CASH AND INVESTMENTS (CONTINUED)**

Investments (Continued)

The District's investment policy allows management to invest in investments permitted under Section 218.415, Florida Statutes. The investment in Florida PRIME is measured at amortized cost. Florida PRIME has established policies and guidelines regarding participant transactions and the authority to limit or restrict withdrawals or impose a penalty for an early withdrawal. As of September 30, 2021, there were no redemption fees, maximum transaction amounts, or any other requirements that would limit daily access to 100 percent of the account value.

Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The District's investments are limited by state statutory requirements and bond compliance. The District has no investment policy that would further limit its investment choices. As of September 30, 2021, all of the District's investments were rated AAAM by Standard & Poor's.

Concentration of Credit Risk

The District places no limit on the amount it may invest in any one fund. The investments in First American Treasury Obligations funds represent 65% of the District's total investments. The investments in Florida PRIME are 35% of the District's total investments.

The types of deposits and investments and their level of risk exposure as of September 30, 2021 were typical of these items during the fiscal year then ended.

**NOTE D – SPECIAL ASSESSMENT REVENUES**

Assessments are non-ad valorem assessments on benefitted property within the District. Operating and Maintenance Assessments are based upon adopted budget and levied annually. Debt Service Assessments are levied when bonds are issued and collected annually for the term of the bond. The District may collect assessments directly or utilize the uniform method of collection (Chapter 197.3632, Florida Statutes). Directly collected assessments are due as determined by annual assessment resolution adopted by the Board of Supervisors. Assessments collected under the uniform method are mailed by County Tax Collector on November 1 and due on or before March 31 of each year. Property owners may prepay a portion or all of the Debt Service Assessments on their property subject to various provisions in the bond documents.

Assessments and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the government.

Summary of Significant Bond Resolution Terms and Covenants

The District levies special assessments pursuant to Section 190.022, Florida Statutes and the assessment rolls are approved by resolutions of the District Board. The collections are to be strictly accounted for and applied to the debt service of the bond series for which they were levied. The District covenants to levy special assessments in annual amounts adequate to provide for payment of principal and interest on the bonds. However, payment of principal and interest is dependent on the money available in the debt service fund and the District’s ability to collect special assessments levied.

The bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date, or in part on an interest payment date, without premium, together with accrued interest to the redemption date if monies are available to retire the debt in accordance with the provisions of the indenture.

The bond resolution and the trust indenture provide for the establishment of certain accounts and an order in which revenues are to be deposited into these accounts. The accounts include a construction, revenue, redemption, reserve, interest and prepayment account and are maintained by a trustee.

The bond indenture provides for Debt Service Reserve Funds, which shall be held by the Trustee separate and apart from all other funds. The following is a schedule of reserve requirements and balances in the reserve accounts at September 30, 2021:

The following is a schedule of required reserve deposits as of September 30, 2021:

**NOTE G – ACQUISITION AGREEMENT**

During the year ended September 30, 2014, the District agreed, in substantial form, to an acquisition agreement with the Developer. The acquisition agreement includes a promissory note for amounts necessary to complete the project that are in addition to the construction funds received relating to the issuance of the Series 2014 Bonds, in the event that the District issues additional bonds. The District Engineer estimated the construction costs of Assessment Area 2-A to be \$17,895,000 and the funds deposited in the construction account relating to the Series 2014 bond issue amount to be \$13,822,005, a difference of \$4,072,995. Accordingly, the promissory note is estimated to be valued at approximately \$4.1 million; however, the note is only payable from the issuance of additional bonds for Assessment Area 2, which the District is not obligated to issue. Accordingly, no liability has been recorded.

## **INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors  
Stoneybrook South Community Development District  
Osceola County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Stoneybrook South Community Development District, as of and for the year ended September 30, 2021, and the related notes to the financial statements, and have issued our report thereon dated April 13, 2022.

### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Stoneybrook South Community Development District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Stoneybrook South Community Development District's internal control. Accordingly, we do not express an opinion on the effectiveness of Stoneybrook South Community Development District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Supervisors  
Stoneybrook South Community Development District

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Stoneybrook South Community Development District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## MANAGEMENT LETTER

To the Board of Supervisors  
Stoneybrook South Community Development District  
Osceola County, Florida

### Report on the Financial Statements

We have audited the financial statements of the Stoneybrook South Community Development District as of and for the year ended September 30, 2021, and have issued our report thereon dated April 13, 2022.

### Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Florida Auditor General.

### Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and our Independent Auditor's Report on an examination conducted in accordance with *AICPA Professionals Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated April 13, 2022, should be considered in conjunction with this management letter.

### Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. There were no findings or recommendations in the preceding financial audit report.

### Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not Stoneybrook South Community Development District has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific conditions met. In connection with our audit, we determined that Stoneybrook South Community Development District did not meet any of the conditions described in Section 218.503(1) Florida Statutes.

To the Board of Supervisors  
Stoneybrook South Community Development District

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for Stoneybrook South Community Development District. It is management's responsibility to monitor the Stoneybrook South Community Development District's financial condition; our financial condition assessment was based in part on the representations made by management and the review of the financial information provided by the same as of September 30, 2021.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

### **Specific Information**

The information below was provided by management and has not been audited by us; therefore, we do not express an opinion or provide any assurance on the information.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, Stoneybrook South Community Development District reported:

To the Board of Supervisors  
Stoneybrook South Community Development District

**Additional Matters**

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

**Purpose of this Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Supervisors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT ACCOUNTANTS' REPORT/COMPLIANCE  
WITH SECTION 218.415, FLORIDA STATUTES**

To the Board of Supervisors  
Stoneybrook South Community Development District  
Osceola County, Florida

We have examined Stoneybrook South Community Development District's compliance with Section 218.415, Florida Statutes during the year ended September 30, 2021. Management is responsible for Stoneybrook South Community Development District's compliance with those requirements. Our responsibility is to express an opinion on Stoneybrook South Community Development District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about Stoneybrook South Community Development District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on Stoneybrook South Community Development District's compliance with the specified requirements.

In our opinion, Stoneybrook South Community Development District complied, in all material respects, with the aforementioned requirements during the year ended September 30, 2021.

**RESOLUTION 2022-03**

**THE ANNUAL APPROPRIATION RESOLUTION OF THE STONEYBROOK SOUTH COMMUNITY DEVELOPMENT DISTRICT (THE “DISTRICT”) RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2022, AND ENDING SEPTEMBER 30, 2023.**

**WHEREAS**, the District Manager has, prior to the fifteenth (15<sup>th</sup>) day in June, 2022, submitted to the Board of Supervisors (the “Board”) a proposed budget for the next ensuing budget year along with an explanatory and complete financial plan for each fund of the Stoneybrook South Community Development District, pursuant to the provisions of Section 190.008(2)(a), Florida Statutes; and

**WHEREAS**, at least sixty (60) days prior to the adoption of the proposed annual budget (the “Proposed Budget”), the District filed a copy of the Proposed Budget with the local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), Florida Statutes; and

**WHEREAS**, the Board set August 1, 2022, as the date for a public hearing thereon and caused notice of such public hearing to be given by publication pursuant to Section 190.008(2)(a), Florida Statutes; and

**WHEREAS**, Section 190.008(2)(a), Florida Statutes, requires that, prior to October 1, of each year, the District Board by passage of the Annual Appropriation Resolution shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year; and

**WHEREAS**, the District Manager has prepared a Proposed Budget, whereby the budget shall project the cash receipts and disbursements anticipated during a given time period, including reserves for contingencies for emergency or other unanticipated expenditures during the fiscal year.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF STONEYBROOK SOUTH COMMUNITY DEVELOPMENT DISTRICT;**

**Section 1. Budget**

- a. That the Board of Supervisors has reviewed the District Manager’s Proposed Budget, a copy of which is on file with the office of the District Manager and at the District’s Records Office, and hereby approves certain amendments thereto, as shown in Section 2 below.
- b. That the District Manager’s Proposed Budget, attached hereto as Exhibit “A,” as amended by the Board, is hereby adopted in accordance with the provisions of

Section 190.008(2)(a), Florida Statutes, and incorporated herein by reference; provided, however, that the comparative figures contained in the adopted budget may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures for Fiscal Year 2022 and/or revised projections for Fiscal Year 2023.

- c. That the adopted budget, as amended, shall be maintained in the office of the District Manager and at the District's Records Office and identified as "The Budget for Stoneybrook South Community Development District for the Fiscal Year Ending September 30, 2023," as adopted by the Board of Supervisors on August 1, 2022.

**Section 2. Appropriations**

There is hereby appropriated out of the revenues of the Stoneybrook South Community Development District, for the fiscal year beginning October 1, 2022, and ending September 30, 2023, the sum of \$ \_\_\_\_\_ to be raised by the levy of assessments and/or otherwise, which sum is deemed by the Board of Supervisors to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

|                                 |          |
|---------------------------------|----------|
| TOTAL GENERAL FUND              | \$ _____ |
| DEBT SERVICE FUND – SERIES 2013 | \$ _____ |
| DEBT SERVICE FUND – SERIES 2014 | \$ _____ |
| TOTAL ALL FUNDS                 | \$ _____ |

**Section 3. Supplemental Appropriations**

The Board may authorize by resolution, supplemental appropriations or revenue changes for any lawful purpose from funds on hand or estimated to be received within the fiscal year as follows:

- a. Board may authorize a transfer of the unexpended balance or portion thereof of any appropriation item.
- b. Board may authorize an appropriation from the unappropriated balance of any fund.
- c. Board may increase any revenue or income budget amount to reflect receipt of any additional unbudgeted monies and make the corresponding change to appropriations or the unappropriated balance.

The District Manager and Treasurer shall have the power within a given fund to authorize the transfer of any unexpected balance of any appropriation item or any portion thereof, provided such transfers do not exceed Ten Thousand (\$10,000) Dollars or have the effect of causing more

than 10% of the total appropriation of a given program or project to be transferred previously approved transfers included. Such transfer shall not have the effect of causing a more than \$10,000 or 10% increase, previously approved transfers included, to the original budget appropriation for the receiving program. Transfers within a program or project may be approved by the Board of Supervisors. The District Manager or Treasurer must establish administrative procedures which require information on the request forms proving that such transfer requests comply with this section.

Introduced, considered favorably, and adopted this 1<sup>st</sup> day of August, 2022.

## SECTION 2

**RESOLUTION 2022-04**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE STONEYBROOK SOUTH COMMUNITY DEVELOPMENT DISTRICT IMPOSING SPECIAL ASSESSMENTS AND CERTIFYING AN ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Stoneybrook South Community Development District (“the District”) is a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

**WHEREAS**, the District is located in Osceola County, Florida (the “County”); and

**WHEREAS**, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District’s adopted Improvement Plan and Chapter 190, Florida Statutes; and

**WHEREAS**, the Board of Supervisors of the District (“Board”) hereby determines to undertake various operations and maintenance activities described in the District’s budget for Fiscal Year 2022-2023 (“Operations and Maintenance Budget”), attached hereto as Exhibit “A” and incorporated by reference herein; and

**WHEREAS**, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the District’s budget for Fiscal Year 2022-2023; and

**WHEREAS**, the provision of such services, facilities, and operations is a benefit to lands within the District; and

**WHEREAS**, Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

**WHEREAS**, the District has previously levied an assessment for debt service, a portion of which the District desires to collect on the tax roll for platted lots, pursuant to the Uniform Method (defined below) and which is also indicated on Exhibit “A”, and the remaining portion of which the District desires to levy and directly collect on the remaining unplatted lands; and

**WHEREAS**, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector (“Uniform Method”); and

**WHEREAS**, the District has previously evidenced its intention to utilize this Uniform Method and has approved an Agreement with the County Tax Collector to provide for the collection of the special assessments under the Uniform Method; and

**WHEREAS**, it is in the best interests of the District to collect special assessments for operations and maintenance on platted lots using the Uniform Method and to directly collect from the remaining unplatted property reflecting their portion of the District's operations and maintenance expenses, as set forth in the budget; and

**WHEREAS**, it is in the best interests of the District to adopt the Assessment Roll of the Stoneybrook South Community Development District (the "Assessment Roll") attached to this Resolution as Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the portion of the Assessment Roll on platted property to the County Tax Collector pursuant to the Uniform Method and to directly collect the remaining portion on the unplatted property; and

**WHEREAS**, it is in the best interests of the District to permit the District Manager to amend, from time to time, the Assessment Roll adopted herein, including that portion certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE STONEYBROOK SOUTH COMMUNITY DEVELOPMENT DISTRICT:**

**SECTION 1. INCORPORATION OF RECITALS AND AUTHORITY.** The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Resolution. The Resolution is adopted pursuant to the provisions of Florida Law, including Chapter 170, 190 and 197, *Florida Statutes*.

**SECTION 2. BENEFIT.** The provision of the services, facilities, and operations as described in Exhibit "A" confer a special and peculiar benefit to the lands within the District, which benefits exceed or equal the costs of the assessments. The allocation of the costs to the specially benefitted lands is shown in Exhibits "A" and "B."

**SECTION 3. ASSESSMENT IMPOSITION.** A special assessment for operation and maintenance as provided for in Chapter 190, Florida Statutes, is hereby imposed and levied on benefitted lands within the District in accordance with Exhibit "B." The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

**SECTION 4. COLLECTION.** The collection of the previously levied debt service assessments and operation and maintenance special assessments on platted lots and developed lands shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in Exhibits "A" and "B." The previously levied debt services assessments and operations and maintenance assessments on undeveloped and unplatted lands will be collected directly by the District in accordance with Florida law, as set forth in Exhibits "A" and "B." Assessments directly collected by the District are due according to the following schedule: 50% due no later than November 1, 2022, 25% due no later than February 1, 2023 and

25% due no later than May 1, 2023. In the event that an assessment payment is not made in accordance with the schedule stated above, such assessment and any future scheduled assessment payments due for Fiscal Year 2023 shall be delinquent and shall accrue penalties and interest in the amount of one percent (1%) per month plus all costs of collection and enforcement, and shall either be enforced pursuant to a foreclosure action, or, at the District's discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. In the event as assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings to collect and enforce the delinquent and remaining assessments. Notwithstanding the foregoing, any assessments which, by operation of law or otherwise, have been accelerated for non-payment, are not certified by this Resolution.

**SECTION 5. CERTIFICATION OF ASSESSMENT ROLL.** The District's Assessment Roll, attached to this Resolution as Exhibit "B," is hereby certified. That portion of the District's Assessment Roll which includes developed lands and platted lots is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds there from shall be paid to the Stoneybrook South Community Development District.

**SECTION 6. ASSESSMENT ROLL AMENDMENT.** The District Manager shall keep appraised of all updates made to the County property roll by Property Appraiser after the date of this Resolution, and shall amend the District's Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates to the tax roll in the District records.

**SECTION 7. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

**SECTION 8. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board of Supervisors of the Stoneybrook South Community Development District.

**PASSED AND ADOPTED** this 1<sup>st</sup> day of August, 2022.

Re: \$14,785,000 Stoneybrook South Community Development District (Osceola County, Florida)  
Special Assessment Bonds, Series 2014 (Assessment Area Two-A Project) ("Bonds")

Stoneybrook South Community Development District ("Client") has requested that we prepare certain computations related to the above-described Bonds for the period ended June 11, 2022 ("Computation Period"). The scope of our engagement consisted of the preparation of computations to determine the Rebate Requirement for the Bonds for the Computation Period as described in Section 148(f) of the Internal Revenue Code of 1986, as amended ("Code"), and this report is not to be used for any other purpose.

In order to prepare these computations, we were provided by the Client with and have relied upon certain closing documents for the Bonds and investment earnings information on the proceeds of the Bonds during the Computation Period. The attached schedule is based upon the aforementioned information provided to us. The assumptions and computational methods we used in the preparation of the schedule are described in the Summary of Notes, Assumptions, Definitions and Source Information. A brief description of the schedule is also attached.

The results of our computations indicate a negative Cumulative Rebate Requirement of \$(1,944,755.37) at June 11, 2022. As such, no amount must be on deposit in the Rebate Fund.

As specified in the Form 8038G, the calculations have been performed based upon a Bond Yield of 5.4541%. Accordingly, we have not recomputed the Bond Yield.

The scope of our engagement was limited to the preparation of a mathematically accurate Rebate Requirement for the Bonds for the Computation Period based on the information provided to us. The Rebate Requirement has been determined as described in the Code, and regulations promulgated thereunder ("Regulations"). We have no obligation to update this report because of events occurring, or information coming to our attention, subsequent to the date of this report.

Stoneybrook South Community Development District

July 21, 2022

\$14,785,000 Special Assessment Bonds, Series 2014 (Assessment Area Two-A Project)

For the period ended June 11, 2022

**NOTES AND ASSUMPTIONS**

1. The issue date of the Bonds is June 12, 2014.
2. The end of the first Bond Year for the Bonds is June 11, 2015.
3. Computations of yield are based upon a 30-day month, a 360-day year and semiannual compounding.
4. We have assumed that the only funds and accounts relating to the Bonds that are subject to rebate under Section 148(f) of the Code are shown in the attached schedule.
5. For investment cash flow purposes, all payments and receipts are assumed to be paid or received, respectively, as shown in the attached schedule. In determining the Rebate Requirement for the Bonds, we have relied on information provided by you without independent verification, and we can therefore express no opinion as to the completeness or suitability of such information for such purposes. In addition, we have undertaken no responsibility to review the tax-exempt status of interest on the Bonds.
6. We have assumed that the purchase and sale prices of all investments as represented to us are at fair market value, exclusive of brokerage commissions, administrative expenses, or similar expenses, and representative of arms' length transactions that did not artificially reduce the Rebate Requirement for the Bonds, and that no "prohibited payments" occurred and no "imputed receipts" are required with respect to the Bonds.
7. Ninety percent (90%) of the Rebate Requirement as of the next "computation date" ("Next Computation Date") is due to the United States Treasury not later than 60 days thereafter ("Next Payment Date"). (An issuer may select any date as a computation date, as long as the first computation date is not later than five years after the issue date, and each subsequent computation date is no more than five years after the previous computation date.) No other payment of rebate is required prior to the Next Payment Date. The Rebate Requirement as of the Next Computation Date will not be the Rebate Requirement reflected herein, but will be based on future computations that will include the period ending on the Next Computation Date. If all of the Bonds are retired prior to what would have been the Next Computation Date, one hundred percent (100%) of the unpaid Rebate Requirement computed as of the date of retirement will be due to the United States Treasury not later than 60 days thereafter.
8. For purposes of determining what constitutes an "issue" under Section 148(f) of the Code, we have assumed that the Bonds constitute a single issue and are not required to be aggregated with any other bonds.

For the period ended June 11, 2022

**NOTES AND ASSUMPTIONS (cont'd)**

9. The accrual basis of accounting has been used to calculate earnings on investments. Earnings accrued but not received at the last day of the Computation Period are treated as though received on that day. For investments purchased at a premium or a discount (if any), amortization or accretion is included in the earnings accrued at the last day of the Computation Period. Such amortization or accretion is computed in such a manner as to result in a constant rate of return for such investment. This is equivalent to the "present value" method of valuation that is described in the Regulations.
10. No provision has been made in this report for any debt service fund. Under Section 148(f)(4)(A) of the Code, a "bona fide debt service fund" for public purpose bonds issued after November 10, 1988, is not subject to rebate if the average maturity of the issue of bonds is at least five years and the rates of interest on the bonds are fixed at the issue date. It appears and has been assumed that the debt service fund allocable to the Bonds qualifies as a bona fide debt service fund, and that this provision applies to the Bonds.
11. The Bonds were issued to provide funds to the District that will be used to: (i) pay the costs of certain offsite road way improvements, stormwater management and control facilities, including earthwork and acquisition of certain interest in land, water and wastewater systems, landscaping and irrigation in public rights-of-way, entrance features, and related soft and incidental costs (collectively, the "Assessment Area Two-A Project"), (ii) fund the Assessment Area Two-A Reserve Account of the Reserve Fund in an amount equal to the Assessment Area Two-A Reserve Requirement, (iii) pay interest on the Assessment Area Two-A Bonds through at least November 1, 2014, and (iv) pay the costs of issuance of the Assessment Area Two-A Bonds.

\$14,785,000 Special Assessment Bonds, Series 2014 (Assessment Area Two-A Project)

For the period ended June 11, 2022

**DEFINITIONS**

1. *Bond Year*: Each one-year period that ends on the day selected by the Client. The first and last Bond Years may be shorter periods.
2. *Bond Yield*: The yield that, when used in computing the present value (at the issue date of the Bonds) of all scheduled payments of principal and interest to be paid over the life of the Bonds, produces an amount equal to the Issue Price.
3. *Allowable Earnings*: The amount that would have been earned if all nonpurpose investments were invested at a rate equal to the Bond Yield, which amount is determined under a future value method described in the Regulations.
4. *Computation Date Credit*: A credit allowed by the Regulations as a reduction to the Rebate Requirement on certain prescribed dates.
5. *Rebate Requirement*: The excess of actual earnings over Allowable Earnings and Computation Date Credits.
6. *Issue Price*: Generally, the initial offering price at which a substantial portion of the Bonds is sold to the public. For this purpose, 10% is a substantial portion.

Stoneybrook South Community Development District  
c/o Governmental Management Services-CF LLC  
1408 Hamlin Avenue, Unit E  
St. Cloud, Florida 34771

Thank you for choosing LLS Tax Solutions Inc. (“LLS Tax”) to provide arbitrage services to Stoneybrook South Community Development District (“Client”) for the following bond issue. This Engagement Letter describes the scope of the LLS Tax services, the respective responsibilities of LLS Tax and Client relating to this engagement and the fees LLS Tax expects to charge.

- \$9,300,000 Stoneybrook South Community Development District (Osceola County, Florida) Special Assessment Refunding Bonds, Series 2013 (Assessment Area One Project)

#### **SCOPE OF SERVICES**

The procedures that we will perform are as follows:

- Assist in calculation of the bond yield, unless previously computed and provided to us.
- Assist in determination of the amount, if any, of required rebate to the federal government.
- Issuance of a report presenting the cumulative results since the issue date of the issue of bonds.
- Preparation of necessary reports and Internal Revenue Service (“IRS”) forms to accompany any required payment to the federal government.

As a part of our engagement, we will read certain documents associated with each issue of bonds for which services are being rendered. We will determine gross proceeds of each issue of bonds based on the information provided in such bond documents. You will have sole responsibility for determining any other amounts not discussed in those documents that may constitute gross proceeds of each series of bonds for the purposes of the arbitrage requirements.

#### **TAX POSITIONS AND REPORTABLE TRANSACTIONS**

Because the tax law is not always clear, we will use our professional judgment in resolving questions affecting the arbitrage calculations. Unless you instruct us otherwise, we will take the reporting position most favorable to you whenever reasonable. Any of your bond issues may be selected for review by the IRS, which may not agree with our positions. Any proposed adjustments are subject to certain rights of appeal. Because of the lack of clarity in the law, we cannot provide assurances that

the positions asserted by the IRS may not ultimately be sustained, which could result in the assessment of potential penalties. You have the ultimate responsibility for your compliance with the arbitrage laws; therefore, you should review the calculations carefully.

The IRS and some states have promulgated “tax shelter” rules that require taxpayers to disclose their participation in “reportable transactions” by attaching a disclosure form to their federal and/or state income tax returns and, when necessary, by filing a copy with the Internal Revenue Service and/or the applicable state agency. These rules impose significant requirements to disclose transactions and such disclosures may encompass many transactions entered into in the normal course of business. Failure to make such disclosures will result in substantial penalties. In addition, an excise tax is imposed on exempt organizations (including state and local governments) that are a party to prohibited tax shelter transactions (which are defined using the reportable transaction rules). Client is responsible for ensuring that it has properly disclosed all “reportable transactions” and, where applicable, complied with the excise tax provision. The LLS Tax services that are the subject of this Engagement Letter do not include any undertaking by LLS Tax to identify any reportable transactions that have not been the subject of a prior consultation between LLS Tax and Client. Such services, if desired by Client, will be the subject of a separate engagement letter. LLS Tax may also be required to report to the IRS or certain state tax authorities certain tax services or transactions as well as Client’s participation therein. The determination of whether, when and to what extent LLS Tax complies with its federal or state “tax shelter” reporting requirements will be made exclusively by LLS Tax. LLS Tax will not be liable for any penalties resulting from Client’s failure to accurately and timely file any required disclosure or pay any related excise tax nor will LLS Tax be held responsible for any consequences of its own compliance with its reporting obligations. Please note that any disclosure required by or made pursuant to the tax shelter rules is separate and distinct from any other disclosure that Client might be required to or choose to make with its tax returns (e.g., disclosure on federal Form 8275 or similar state disclosure).

#### **PROFESSIONAL FEES AND EXPENSES**

Our professional fees for the services listed above for the five annual bond years ending June 17, 2022, June 17, 2023, June 17, 2024, June 17, 2025, and June 17, 2026, is \$2,750, which is \$550 each year. We will bill you upon completion of our services. Our invoices are payable upon receipt. Additionally, you may request additional consulting services from us upon occasion; we will bill you for these consulting services at a beforehand agreed upon rate.

Unanticipated factors that could increase our fees beyond the estimate given above include the following (without limitation). Should any of these factors arise we will alert you before additional fees are incurred.

- Investment data provided by you is not in good order or is unusually voluminous.
- Proceeds of bonds have been commingled with amounts not considered gross proceeds of the bonds (if that circumstance has not previously been communicated to us).
- A review or other inquiry by the IRS with respect to an issue of bonds.

The Client (District) has the option to terminate this Agreement within ninety days of providing notice to LLS Tax Solutions Inc. of its intent.

**ACCEPTANCE**

You understand that the arbitrage services, report and IRS forms described above are solely to assist you in meeting your requirements for federal income tax compliance purposes. This Engagement Letter constitutes the entire agreement between Client and LLS Tax with respect to this engagement, supersedes all other oral and written representations, understandings or agreements relating to this engagement, and may not be amended except by the mutual written agreement of the Client and LLS Tax.

Please indicate your acceptance of this agreement by signing in the space provided below and returning a copy of this Engagement Letter to us. Thank you again for this opportunity to work with you.

Very truly yours,  
LLS Tax Solutions Inc.
